Chancel Choir leads Easter Worship Service

First United Methodist Church is known for the dynamic Music Ministry it offers. The musical heritage of our church extends from its beginning in Great Bend in 1873. Our Chancel Choir continues a long tradition of musical excellence, singing each Sunday, September thru May, during the 10:30 morning Worship Service and on special occasions throughout the year. New members are warmly welcomed!

Vern Fryberger is the director of Chancel Choir. Vern received his B.M.E. and M.M.E. from Fort Hays State University and is Director of Choral Activities at Barton County Community College.
