

In our church family are folks who are needing to “Get Connected.” They need someone who would call them on the phone each day just to check in and make sure they are doing ok. Would you like to help with this ministry? We are looking for folks who would like to make the phone calls, but we also need to know folks who would like to receive the phone calls. Please complete the form below and place it in the offering plate. Or you can call the church office at 792-2148 to suggest names.
